Evaluation grid for the training module:  
Reducing the ecological imprint of my work

Date of training:

Type of profession/occupation:

On a scale of 1 to 4, how would you rate each criterion?

1: totally (very satisfied), 2: partially (fairly satisfied), 3: insufficiently  
(fairly dissatisfied), 4: not at all (very dissatisfied)

- Did I find the training useful?: 1 - 2 - 3 - 4

- I will be able to apply it in my professional practice 1 - 2 - 3 - 4

- The general level of difficulty of the course was accessible (language, vocabulary, concepts, etc.)  
as presented by the trainer: 1 - 2 - 3 - 4

IN short, what did the training consist of?

What were the strenghts and the weaknesses of the course?
